Dear Darcy's

You are a brightly, shining example of a neighbor to our community! In an economy that is challenging you stepped forward to participate in our Teenagers, Inc. fundraiser, A Taste of Chestnut Hill. It was an evening to celebrate our restaurants, businesses and all that is good about Chestnut Hill! Our young adults (graduates of Teens, Inc.) and teens ran the kitchen, set-up and cleaned-up. Our parents also assisted in the kitchen, at the auction and in the planning and executing of the event. It was a super team effort drawing in young people from various schools and neighborhoods.

Thank you for your participation in making our event successful! We raised \$5,500 for programming which will include grants for those who struggle to attend events and classes. You are the best of the best!

Warmest regards and Happy Holidays,

Marianne Dwyer, Coordinator of Teens
and all the teens

Thanks so much for the amazing ribs. They were so delicious, we all loved them and wanted more. Thanks for your kind donation.

Love, Jane.
